

Construction Pros Insurance

About Us

We are a fully licensed independent insurance and bond agency owned and headquartered in San Antonio, Florida (40 miles North of Tampa, 50 miles West of Orlando). We write contractors and construction related business headquartered in Florida, and their operations nationwide. The services and support we offer are tailored for contractors, which is why we offer many of our services online and have 24/7 access for our clients and their accounts. Although we offer online services, we also offer “human” support when you need to ask questions and get a real answer.
